

2024 CFA Awards of Excellence <u>Franchisee of the Year</u> Entry Companion Guide

The **Franchisee of the Year** Awards will be presented to franchisees who have demonstrated an overall star quality within their franchise. Two awards will be presented, one to a franchisee in the traditional category and one in the non-traditional category. Franchisors are invited to submit one nominee per brand who has been franchising with the brand for at least two years. Joint owners of a franchise can be recognised together through the Franchisee of the Year program.
